

MEASURING OUR PERFORMANCE

At Epping Surgery Centre (ESC), we are constantly measuring our performance using both internal and external audits. In addition to the standards set by the accreditation agencies we set our own clinical and business standards and monitor, review and evaluate all aspects of care and service. The audit results are benchmarked between Presmed Australia Group of facilities and are presented to all staff quarterly as a part of our clinical quality and patient safety improvement program.

January to March 2017 quarter PresMed Australia audit results – group comparison
